**Recordal of Assignment before the EPO
from General Electric Company to General Electric Renovables España,
S.L. for European patent appl. nos.: 13190875.8 (EP2728178)**

Dear Sirs,

The above mentioned European patent application is registered in the name of **General Electric Company** of 1 River Road Schenectady, NY 12345, United States of America.

The applicant has assigned the patents to **General Electric Renovables España, S.L.** of Calle Roc Boronat 78, 08005 Barcelona, Spain.

Please find attached a copy of the document attesting the above mentioned assignment, as well as the Power of Attorney signed on behalf of the Assignee.

We kindly ask you to record the aforesaid assignment in the European Register.

Please be advised that we are only responsible for recording the assignment and the current representative must remain the same.

We look forward to hearing from you at your earliest possible convenience.

Yours faithfully
Dennemeyer & Associates
